THE NEST & REST STANDARD

Five things happen at your door. Every visit.

01 **Ring once, introduce by name**
You'll know who is coming before we arrive.

02 **Coat onto our own hanger**
It hangs on our kit, never in your closet.

03 **House shoes on**
Street shoes stay at the door. Your floors only meet clean soles.

04 **Apron tied, gloves on**
One apron for kitchens, one for baths. Never both in one room.

05 **Leave in reverse**
Gloves off, apron folded, shoes bagged.

"Every clean carries my name. If anything isn't right, tell me, and I'll come back and make it right."
